Pent House Kitzbühel

Design Atelier Heiss Architekten **Design team** Christian Heiss, Michael Thomas, Thomas Mayer, Severa Horner, Andrea Braun, Petra Kogler, Ferenc Tirbus, Adina Tomi **Location** Austria Kitzbühel **Built area** 240m² **Completion** 2011 **Photos offer** Archiv Atelier Heiss

In a location in downtown Kitzbühel, a penthouse over two floors was built. An elaborate elliptical stair construction of painted iron with visible welding seams forms a contrast to the precious materials of the high-end furnishings. The highlight of the spacious master bedroom is a twelve meter long multi-functional piece of furniture which converts from a dressing table to a washstand to a handrail and finally, to a bookshelf. Text by Atelier Heiss Architecten

Atelier Heiss Architecten *was founded in 1997 by Christian Heiss, are based in Vienna. Today, projects are developed by a staff of about 30, under the management of the three parthers Christian Heiss, Michael Thomas and Thomas Mayer.
